

15th March 2023

Dear Parents and Carers

I am delighted to be able to share with you the latest Ofsted report for St Christopher's CE Primary School, Langford.

As you will see, the school, has been judged to remain a Good school. For the first time in its history, however, some aspects of the school have been judged to be outstanding. This is absolutely fantastic! Leaders, governors and all the staff work very hard to offer an excellent education to pupils and all of across ODST – the Academy Trust responsible for the school – is so very proud of the school you have become. We are so pleased that Ofsted has recognised so many of the school's strengths.

I am particularly thrilled that the inspectors highlighted that *"...The school's vision of the 'be the best' is truly part of day-to-day life. The vision is threaded through everything staff and pupils do. The 'Shine principles' ensure that pupils strive to be the very best version of themselves"; and the comment from one pupil "we are full of uniqueness and this is a unique school".*

I would like to pay tribute to the school's leadership under Ms Veeder and to the governance at the school, they are really offering your children an excellent education! To have the very foundation of the school, the Early Years Foundation Stage, judged as outstanding shows just what a fabulous start the St Christopher's children get. That Personal Development is judged outstanding also shows how strong the support is that they get to "be the best."

Obviously, as well as highlighting strengths, Ofsted reports always identify areas where schools can develop to become even better and we will together to ensure the school continues to thrive and develop.

Congratulations to everyone at St Christopher's CE Primary School on a fabulous Ofsted report!

Yours sincerely

Anne Dellar
ODST Chief Executive Officer
