## Anti-Bullying Awareness

With November home to Anti-Bullying Week and Odd Socks Day, it's a great time to consider this year's theme: "Make A Noise About Bullying".

Both events offer a time to spread kindness and celebrate individuality, as well as encouraging taking a stand against bullying. It's a time for conversations, activities, and actions that make sure everyone feels safe, included, and respected.

Let's make a noise together in 2025 and help build a world where everyone feels they belong.

**Discover helpful resources and guidance at [Anti-Bullying Alliance](#).**

**Bullying support and advice:** Learn how to cope, seek help, and put an end to bullying with guidance from [Bullying and advice on coping and making it stop | Childline](#).

## Is Your Child Too Ill For School?

It can be hard to know when to keep your child off school due to illness. The NHS and UK government offer clear guidance to help families make the right decision.

Send your child to school if they have:

- A minor cough or cold
- Sore throat (without a high temperature)
- Headache or tummy ache (if they feel well enough otherwise)
- Mild cold symptoms, even if they test positive for COVID-19 – as long as they do not have a high temperature and are well enough

Keep your child at home if:

- They have a high temperature and feel unwell
- They've been vomiting or had diarrhoea – keep them home for 48 hours after the last episode
- They have an infectious illness such as chickenpox, measles, or impetigo (check NHS advice for return times)

Need Help Deciding?

You can find clear guidance on specific illnesses and when it's safe to return to school on the NHS Healthier together website:

[Should my child go to School today? | Everything Else - Child 5 to 12 years | Healthier Together](#)

## Sleep Matters

Getting enough sleep is vital for growth, behaviour, learning, and emotional health.

- Ages 6–12 need 9–12 hours per night
- Teens 13–18 need 8–10 hours per night
- Aim for a consistent bedtime routine, screen-free wind-down time, and a calm sleep space.

For more information, please visit [Healthy Sleep | Safety and Prevention - Child 5 to 12 years | Healthier Together](#)

## Eat Well, Feel Well - Beezee families

A balanced diet gives children the fuel they need to grow, learn, and thrive.

- Try to eat 5 portions of fruit and veg a day
- Choose wholegrains, lean proteins, and low-fat dairy
- Swap sugary snacks and drinks for healthier options like fruit, yoghurt, or water
- Eating together as a family helps build good habits and connection

### **Beezee**

- Beezee Families is a free, award-winning healthy lifestyle programme delivered by Maximus UK on behalf of Oxfordshire County Council. It's designed to support families with children (typically aged 5–12 years) to develop long-lasting healthy habits around diet, movement, and wellbeing, whether engaging in fun group sessions or participating online. Families learn practical tips for nutritious snacks, easy family meals, everyday movement and playful activity. The programme offers expert coaching, nutritionist support, motivation, and small-group encouragement to help families build sustainable healthier routines
- Self or professional referrals are welcome. · Email: [HelloOxfordshire@maximusuk.co.uk](mailto:HelloOxfordshire@maximusuk.co.uk)
- **Telephone:** 0333 220 8952
- **Text - text BZF to 60777**

You can also find full details and sign-up options via the Oxfordshire Maximus Beezee Families website: <https://oxf.maximusuk.co.uk/beezeefamilies/>

## Get Active Every Day

Physical activity helps build strong bones and muscles, boosts confidence, and supports mental health.

- Children and young people should aim for at least 60 minutes of activity daily — like walking, cycling, dancing, football, or swimming
- Try to reduce long periods of sitting with movement breaks or active play

## Reception & Year 6 Health Screenings - What You Need To Know

As part of our School Health Screening Programme this academic year, all **Reception** children will be offered:

-  **Vision Screening**
-  **Height & Weight Measurement** through the **National Child Measurement Programme (NCMP)**

All **Year 6** children will be offered:

-  **Height & Weight Measurement** through the **National Child Measurement Programme (NCMP)**

You'll receive a letter with full details before the session.

## ✕ Opting Out

If you do **not** wish your child to take part in one or both screenings, please follow the opt-out instructions in the letter.

Children will be automatically included unless you opt out.

## 📱 Accessing Your Child's Results

Results will be available within **two weeks after the screening** via our secure School Screener Parent Portal: [Create an account](#)

👉 **This is the only way to receive your child's results.**

## 📖 Did You Know?

- You can add multiple children to one School Screener parent account.
- If you have already created a School Screener account, you can log in with your previous details and add a child to your account [How do I add another child?](#)

## Oxfordshire Community Dental Service

Please see attached some healthy Christmas treats to reduce your child's sugar intake, a Christmas picture quiz and a dental word search for them to complete.

The infographic is titled "Healthy Christmas Treats" and is presented in a festive, light-colored layout with red and green accents. At the top, it features the Oxfordshire Community Dental Service logo and the NHS Oxford Health logo. The main heading is "Healthy Christmas Treats" in a large, bold, red font. Below the heading, a red text box states: "Christmas treats such as chocolates and sweets often contain high levels of sugar which causes tooth decay. Try swapping to these healthy festive alternatives to reduce your sugar intake." The infographic is organized into three columns: "High Sugar", "Low Sugar", and "Recipes".

High Sugar	Low Sugar	Recipes
 Kinder Santa 55g =29g of sugar	 1 Strawberry Santa =2g of sugar	 <b>Ingredients:</b> 6 large hard-boiled eggs 6 small hard-boiled eggs Peppercorns 1 carrot 1 skewer / stick for BBQ parsley
 Lindt Snowman 40g =21.6g of sugar	 1 Boiled Egg Snowman =0g of sugar	<b>Ingredients:</b> Pretzels Cheese Triangles Black Olives Red Peppers
 Maltesers Reindeer 59g =31.8g of sugar	 1 Cheese Reindeer =1g of sugar	
 Smarties Penguin 18.5g =10.2g of sugar	 1 Olive Penguin =0g of sugar	 <b>Ingredients:</b> Watermelon Yoghurt
 Haribo Xmas Trees half a bag 80g =33.2g of sugar	 1 Watermelon Xmas Tree =1.5g of sugar
