

Office Green Points List

Toner Cartridges, Inkjet Cartridges & Fuser Units

Step 1 - All you need is 10 listed items!

In order to qualify for a free collection, all you need to have is a minimum of 10 items from this and/or our mobile phone points list combined.....simple!

Items returned must be undamaged and original (i.e. not previously recycled), as their primary worth is for reuse not raw material recycling.

Mobile phones must include their batteries and rear covers to be 'working value', chargers and accessories are not required.

This list is updated monthly and the latest version is always available on the home page of our web site www.officegreen.co.uk

Step 2 - You can also include your unlisted and unused items, as many as you want!

Once you have this minimum listed quantity (and there is no maximum*), we will also collect free of charge any other toner cartridges, inkjet cartridges, fuser units or mobile phones that are not listed with your listed items.

We will ensure that these unlisted items are reused or recycled and not sent to landfill, thus ensuring your own duty of care compliance. Unlike most waste companies, we will make no charge for this additional recycling service.

Step 3 - Waste items – no thanks!

Please note toner bottles, toner kits, toner containers, ribbons etc are all classified as “waste” and should not be included in your collection.

If you do include more than 10% of these waste items within your collection or send less than 10 points listed products, unfortunately you will not earn any points for the entire collection.

If you are unsure or have difficulty in identifying what this waste is, please contact us for more information.

*Office Green
we keep you
legal, we keep
you green*

Step 4 - Your options if you do not qualify for a free collection

If you do not qualify for a free collection please see our website or ask for more details on our:

- Freepost returns program for small quantities of listed inkjets or mobiles
- Unique Pay As You Go, non-landfill, environmentally friendly recycling service

To book your **FREE** collection please call us on:
08700 502050 (local rate), visit www.officegreen.co.uk or
email us at collections@officegreen.co.uk

(* subject to our fair usage policy.)

Reuse the past, Recycle the present, Save the future

Reuse the past,
Recycle the present,
Save the future.

October 2015 Cartridge and Fuser Points List

All listed Toner Cartridges now 0.75 points each (original unless specified otherwise).
